Hi Lorena,

Are the red kiosks being used? Which ones and how often?

Thanks,
Augie

Hi Augie,

I wanted to follow up on the request to move one red kiosk down to the boat show area. I would need it down there by next Wednesday. I can send you a diagram of the exact location. Since they are difficult to move, I'm thinking we can just leave it down there for future events.

I have already spoken with Dan Salas regarding this and he is ok with it.

Also, Donneshia is requesting that we swap out her kiosk one of the red kiosks. The exterior is becoming worn out but I cannot allocate funds at the moment to renovate it. Your thoughts?

Thank you for your assistance.

Best regards,

Hi Lorena,

Anything is possible. I know that it is VERY difficult to move those Kiosks and are folks had a tough time with them last time (I was there when they did it). Last time our Construction and Maintenance Division needed a lot of lead time to schedule everything (the right truck, a forklift, manpower) so in order to get our construction folks to move the kiosks the request needs to come in early and please keep in mind that every time we move the kiosks they get a little more messed up (banged around, dented and scratched up). I'm assuming that you'd want the kiosks back right after the show which would be 2 requests for C&M?

Thanks,
Augie

Augie,

I was wondering if it would be possible to have two red kiosks moved to the boat show later this month.

Let's talk when you have some time.
